

Batavia Web Design Company

If you're ready to jump-start your business on the web, you need a website with teeth!

That's why we created Orange Piranha. A fresh new website design firm designed especially for small to mid-size business owners in the Batavia, IL and Chicago area. You see, we live and work in the Chicagoland area, too. So, unlike our silicon valley counterparts, we know what makes "The City That Works" work.

Batavia Marketing

There have always been various methods of marketing, but in this day and age you need a truly unique approach to stand above the crowds of competition. At OrangePiranha, we believe in marketing strategies that that bring real-time results, both in Batavia, Illinois and nationally. Our Batavia Marketing offers small to mid-size business entrepreneurs a professional image backed by our results- driven Search Engine Optimization (SEO) to transform your concept into a successful money-making enterprise. Batavia Print Marketing

Used with the right marketing strategies, print advertisements can have a tremendous impact on your marketing campaign.
